Aikos – Learning, studying, training

Aikos is an informative website with the aim to help individuals of Lithuania to choose a marketable profession, which can be obtained for the first time or through re-training at Lithuanian or European higher and vocational schools, by accumulating, processing, and presenting easily accessible information to a wide range of users. AIKOS is an open vocational information, counselling, and guidance system. Search database, videos, self-assessment tests and career plan are provided.

The main aims:

- To provide qualitative information on the possibilities of distant learning;
- To inform and consult a wide range of users, helping them to choose their own path in the sphere of education, training, and occupation and building their professional career;
- To provide internet services to the users of data obtained from the databases used by AIKOS.

Additional topics: Information about educational opportunities, jobs and training
