Uddannelses Guiden - Educational guide

Comprehensive system providing information about education and e-guidance in Denmark. Individuals can search for educational opportunities, at upper secondary level, university level, adult education and continuing training and career options. The information is organized to focus on specific target groups; children and young people seeking general and vocational upper secondary education, young and adult students, adults seeking continuing education and training, as well as counsellors and others with an interest in educational conditions. Furthermore, parents are one of the target groups and are provided with various information about education

For educational opportunities in English in Denmark the website is connected to the website www.studyindenmark.dk.

Uddannelses Guiden allows the users to select communication channels, such as chat, phone talk and email for private counselling sessions, workshops etc. Uddannelses Guiden was developed by the Danish Ministry of Education.
