Opis

Aikos is an informative website with the aim to help individuals of Lithuania to choose a marketable profession, which can be obtained for the first time or through re-training at Lithuanian or European higher and vocational schools, by accumulating, processing, and presenting easily accessible information to a wide range of users. AIKOS is an open vocational information, counselling, and guidance system. Search database, videos, self-assessment tests and career plan are provided.

The main aims:

- To provide qualitative information on the possibilities of distant learning;
- To inform and consult a wide range of users, helping them to choose their own path in the sphere of education, training, and occupation and building their professional career;
- To provide internet services to the users of data obtained from the databases used by AIKOS.

The screenshot shows the Aikos website interface. At the top, there are navigation tabs: ABOUT AIKOS, NEWS, REGISTERS, CAREER, and a green button for SIGN IN OR REGISTER. Below these are four main navigation buttons: WANT TO LEARN (green), WANT TO STUDY (blue), WANT TO TRAIN IN (purple), and MY TOOLS IN AIKOS (grey). The 'Want to learn' section is active, showing a search form with fields for 'Enter programme name', 'Choose level of studies', and 'Required education'. Below the search form is an 'EXPANDED SEARCH' section with a 'CLEAR' button and a 'SEARCH' button. The search results show a dropdown for 'Field of education: Agriculture (30) (Continued on the next page)' and a sub-sector for 'Sub-sector of education: Crop and livestock production (15)'. A specific study programme is highlighted: 'Agricultural production business worker training program' at 'Zarasai Agricultural School'.
