The website provides personal guidance, counselling and support to young people through face-to-face services or online services and other environments. Information is provided for young people through various channels and methods, such as peer-to-peer groups and social media such as facebook and twitter.

Koordinaatti's task is to support municipalities, joint municipal authorities and various regional cooperation bodies. Koordinaatti offers municipalities expert help in the use of web-based services, tools and methods as well as training in the basics of web-based work.

The Ministry of Education and Culture appointed Koordinaatti (Youth Information and Counselling) for the task of planning and establishing a regional service network for regional youth information and counselling coordinators as part of a permanent youth work service structure.
