Opis

The website provides personal guidance, counselling and support to young people through face-to-face services or online services and other environments. Information is provided for young people through various channels and methods, such as peer-to-peer groups and social media such as facebook and twitter.

Koordinaatti's task is to support municipalities, joint municipal authorities and various regional co-operation bodies. Koordinaatti offers municipalities expert help in the use of web-based services, tools and methods as well as training in the basics of web-based work.

The Ministry of Education and Culture appointed Koordinaatti (Youth Information and Counselling) for the task of planning and establishing a regional service network for regional youth information and counselling coordinators as part of a permanent youth work service structure.
