- Mrežna stranica

Zemlja
- SAD

Opis

Informative website providing database with job opportunities, career development and career exploration. Individuals can send emails. The O*NET Resource Center is home to primary source of occupational information in USA. It serves as a central point of information about the O*NET program and is the main source for O*NET products, such as the O*NET database, Career Exploration Tools, User Guides and development reports. O*NET OnLine has detailed descriptions of professions for use by job seekers, workforce development and human resource professionals, students and researchers.
