Opis

The web site has several pages with the home page offering psychotherapy through skype. Scrolling down the page, there is a description on what psychotherapy is and how to do skype psychotherapy. It includes not only info on how to make contact but it informs the user on ethical aspects of online therapy. The web site includes several other pages. On *About us* page we learn about the two experienced psychotherapist who are behind this website with their relevant biographical data. They are two psychologists who between them have finished educations in Psychodrama, Transactional analysis, Play therapy, Child integrative psychotherapy and Psychodrama for children. About us page also offers several articles written by the authors/psychotherapists on topics: psychotherapy in general, psychotherapy approaches, and psychotherapy and personal development. The *Method* page lists psychotherapy approaches with the short description of each. On the *Education* page is info on education in Psychodrama, and on *Personal development* info on coaching. There is also *Announcement* page that includes info on upcoming workshops, seminars and educations. Telephone number and email address are available. Also, in person individual and group therapies are offered. The web page is easy to use and it mostly written in a way that the therapist is directly talking to the reader.
