Psy-help-online.ch is an internet-platform in Switzerland with experienced, independent psychologists from all over Switzerland. It fulfills criteria of the federation of Swiss psychologists for psychological offers in the internet (competence, security, privacy etc.). Counselling or psychotherapy can be conducted via webmail, online-chat, telephone or Skype and it can be undertaken in German or English. Clients can choose a psychologist from a pool of professional psychotherapists and arrange a date in the online calendar.

The screenshot shows the website's header with the logo and navigation menu. The main content area is titled "Sie suchen online Beratung / Psychotherapie mit Psychologen?". Below the title, there is a search bar and a paragraph of text. The text mentions that the platform is the first internet platform in Switzerland, offering psychological services via mail, chat, or Skype. It also mentions that the website complies with the quality criteria of the Swiss Psychological Association (FSP). A list of services and contact information is provided, including a phone number (+41(0)78 603 12 11) and a link to the psychologist profiles. The footer contains legal notices and contact details.
