## Opis

Psy-help-online.ch is an internet-platform in Switzerland with experienced, independent psychologists from all over Switzerland. It fulfills criteria of the federation of Swiss psychologists for psychological offers in the internet (competence, security, privacy etc.). Counselling or psychotherapy can be conducted via webmail, online-chat, telephone or Skype and it can be undertaken in German or English. Clients can choose a psychologist from a pool of professional psychotherapists and arrange a date in the online calendar.

The screenshot shows the website's main page with a navigation menu at the top: Über Online-Therapie, Über uns, Psychologe wählen, Sitzungen vereinbaren, Virtueller Praxisraum, Für Fachpsychologen. Below the menu, there's a search bar and a main heading: "Sie suchen online Beratung / Psychotherapie mit Psychologen?". The text below explains that the platform is the first in Switzerland and offers services in German or English. It also lists several bullet points: "Haben Sie Fragen?", "Diese PsychologInnen stehen Ihnen aktuell zur Verfügung", "Das sagen bisherige Kunden", and "Hier lesen Sie wie Sie Sitzungen vereinbaren". The footer contains legal information and contact details.
