Opis

Psy-help-online.ch is an internet-platform in Switzerland with experienced, independent psychologists from all over Switzerland. It fulfills criteria of the federation of Swiss psychologists for psychological offers in the internet (competence, security, privacy etc.). Counselling or psychotherapy can be conducted via webmail, online-chat, telephone or Skype and it can be undertaken in German or English. Clients can choose a psychologist from a pool of professional psychotherapists and arrange a date in the online calendar.

The screenshot shows the website's main page with a navigation menu at the top: 'Über Online-Therapie', 'Über uns', 'Psychologe wählen', 'Sitzungen vereinbaren', 'Virtueller Praxisraum', and 'Für Fachpsychologen'. Below the navigation, there is a search bar and a main heading: 'Sie suchen online Beratung / Psychotherapie mit Psychologen?'. The text below explains that the platform is the first internet platform in Switzerland for online psychological services, offering help via email, chat, or phone. It lists quality criteria and provides contact information.
