Opis

Trappa inc. is a startup company in Education Technology. Main goal is to integrate services and ideas with educational goals, learning and support, in schools or at home and offer ecounselling. Kara is a specialised software offered at karaconnect.com and professionals can use the software for treatment, instruction, counselling or guidance. Trappa is already providing speech therapy, anxiety therapy and educational classes online to Icelandic municipalities with great results.

The website offers variety of technical solutions for connecting professionals and those who need a service regardless of location.

Fjarþjálfun | Kara - hugbúnaður fyrir sérfræðinga
